# Child Criminal Exploitation (CCE) Service

CATCH22 **STOKE & STAFFORDSHIRE**

## OUR **WORK**

---

We work with children and young people who are at risk of Child Criminal Exploitation (CCE). We deliver bespoke support and interventions to children and young people to build resilience and aspiration, empowering them to take control of their lives and supporting them to stay safe. Support extends to parents and siblings. We also conduct awareness building workshops with professionals where requested.

# WHAT DO WE OFFER?

## DIRECT WORK

One of our experienced case workers will work 1-1 with children referred to our service to support young people to find solutions and build awareness around issues related to CCE, gangs and County Lines. Families will also be included in this type of intervention where applicable and support will extend to parents and siblings

## BESPOKE WORK

We understand that where children are at risk, they may already have several professionals involved in their life. Bespoke work involves us upskilling another professional with whom the child has an existing and meaningful relationship and walking alongside them whilst they deliver the intervention to the young person.

## PARENT, CHILDREN AND PROFESSIONALS TRAINING/WORKSHOPS

Targeted workshops are delivered in school or professional settings through group work and training sessions. Catch22 will work closely with the Pan-Staffordshire PSHE Education service to ensure collaboration on a wider landscape related to CCE prevention education (PSHE) and the interventions delivered in local education establishments.
